Panels

Panel Toolbar

### Menu

Select a menu option to access different tools or areas of the system.

### Workspace

The area below the menu where most work is done.

### Logged-in User

Shivani Chandra ▼ Select to logout or view your profile.

### Help

Ⓡ Access ICE Help materials or send feedback.

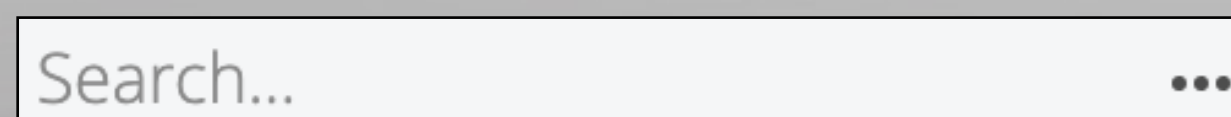

### Notifications

✉<sup>2</sup> Displays unread messages.

🔔<sup>3</sup> Displays sharing and telehealth invite notifications.

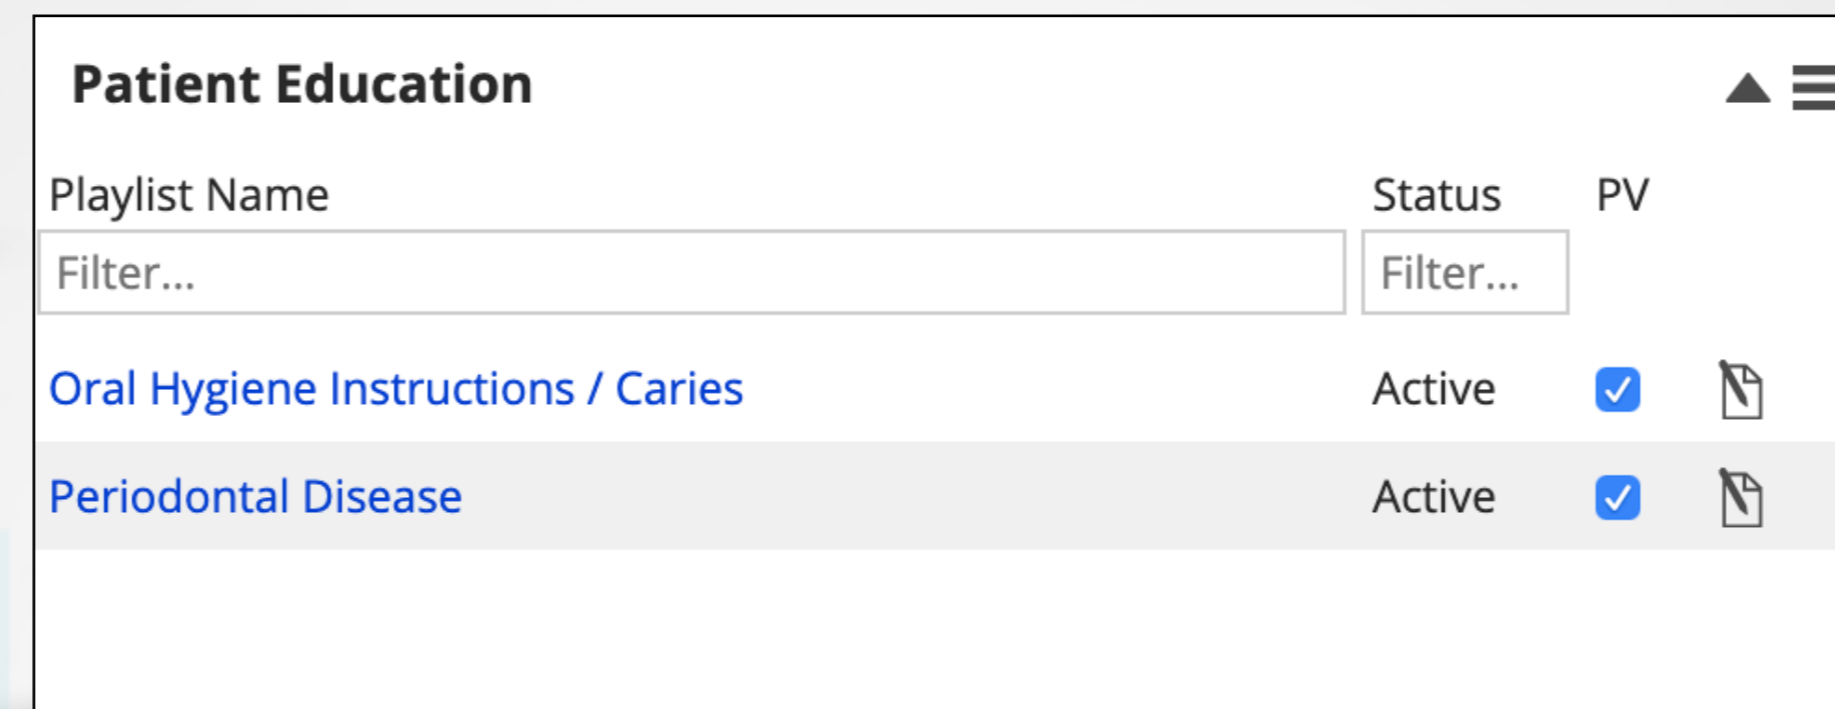

### Search

Search for and open a patient record.

### Panels

Moveable boxes on the workspace that provide different types of information and tools.

### Panel Toolbar

- ▲ Expand or collapse a panel.
- ☰ Panel menu.
- ☰ Select to view panel-specific actions and options.

### Panel View Toolbar

A panel view is a group of panels on the workspace. You can have multiple views for different types of work.

My Panel View ▼ Displays the panel view's name. Select to switch views.

- ↕ Expand all panels
- ↖ Collapse all panels.
- 🔄 Refresh all panels.
- 🗪 Add or remove panels.

### Patient Sidebar

Provides basic patient demographic information as well as allergies, conditions, and medications.
